About this capture

OUR PEOPLE

Dominion is driven by our commitment to superior customer service. With decades of collective industry-leading experience in training, support and implementation, our team of professionals strives for delivery excellence to meet today's election challenges in system implementation and project management. We aim to provide transparency and accountability in all that we do – on every level, for every election.

OUR TECHNOLOGY

We are constantly investing in the development of technology that continues to set our products apart from the competition. Dominion's core technology focuses on the two key aspects of the electoral process - accuracy and transparency, while remaining nimble enough to meet the needs of any-sized election.

INFINITE ways to serve
the unique needs of
every election

OUR SERVICES

Recognized by Deloitte as one of the fastest-growing tech firms in North America, Dominion provides the highest level of election support services available. From initial project implementation through election set-up, ballot layout, multiple language audio, machine set-up and system testing, we deliver. We also provide testing, Election Day support, training, preventative maintenance, project management and ongoing election consulting.
